Best of Venice Winner for 2024

Contemporary HEARING

Best of Venice

I want to say thank you to everyone who voted for Contemporary Hearing in the best of Venice awards from the Venice Gondolier.

I appreciate all the support and everyone who took their time to vote for us.

Your support and continued encouragement has resulted in us being awarded Best of Venice, multiple titles and multiple years as both winner and finalist, Reader's Choice multiple years, and Small Business of the Year.

I am proud to have consistently offered service that is recognized by you and honored to receive so many awards over the years that our wall of awards has expanded onto another wall. Thank you for entrusting me with your hearing, I am glad I earned your respect.

Every day I hear stories about how hearing problems have interfered with enjoying life. I've always had one mission, to help everyone who comes to me to hear their best and engage in life.

Seventeen years ago, I opened my own office and chose to treat all my clients as if they are family. Twenty-two years ago, when I chose this profession, I was inspired by my mother MaryEllen. She was already wearing hearing aids due to ear surgery. Back then I was new to the industry and was not fully aware of how technology worked. As my ability grew, I noticed that the aids my mother wore were not the best for her needs. She was very social and would benefit from better technology. I was able to help her hear her best for her level of activities so she could have her best life.

If she was still with us today, I know she would be celebrating with us and all the people who have been able to engage in their own life with more ease and better understanding.

A promotional poster for a fashion show. At the top, the 'GRAN PARADISO' logo is centered within a white rounded rectangle, featuring a small floral emblem above the text. Below the logo, the word 'FASHION' is written in large, bold, black capital letters with a red outline, and 'Show' is written in a large, elegant black script font. In the center, a model stands on a runway, wearing a striking red dress with a long, flowing, sheer cape that has intricate black lace detailing. She is also wearing black strappy high-heeled sandals. The runway is illuminated by two bright spotlights from above, creating a dramatic effect. The background is a soft, hazy grey with some bokeh light effects. Text blocks are placed on either side of the model, and a black banner at the bottom contains the event details in gold lettering.
