I It's that time
of year: voting
for the Best of

Venice. Our local Gondolier News-
paper is holding its annual Best of
Venice voting now. You can click the
QR code to be directed to voting for all your favorites
in our area.

As a small business owner this is one of the few
ways, we are honored. Please take a moment to cast
your vote.

And, I want to say thank you to everyone who has
voted for over the years. Your support and continued
encouragement resulted in us being awarded Best
of Venice—multiple titles and multiple years as both
winner and finalist—Reader's Choice multiple years,
and Small Business of the Year. I appreciate all the
support and everyone who took their time to vote for
us.

I am proud to have consistently offered service that
is recognized by you and honored to receive so many
awards over the years that our wall of awards has
expanded onto another wall. Thank you for entrusting
me with your hearing, I am glad I earned your respect.

Almost twenty years ago, I opened my own office
and chose to treat all my clients as if they are family.
When I chose this profession, I was inspired by my
mother MaryEllen. She was very so-
cial and offering her a solution for her
life allowed her to live her best life.

Thank you in advance for voting for
the businesses you adore and trust.

House & Garden Tour Update

The House & Garden Tour originally slated for November 7 has been postponed until the spring of 2027. Please consider showing your garden, lanai, or home during our colorful spring season. We had many residents interested in attending the tour, but too few homes were available to show.

On November 7

The Garden Club will host professional arborists from the City of North Port in the clubhouse from 12:00 noon until approximately 1:30 PM. They will present a PowerPoint program with excellent information about Florida-Friendly Gardening. They will also provide several handouts, including the Florida-Friendly Gardening Handbook, after the presentation. The arborists will be happy to speak with you about your specific garden. They are a wealth of knowledge and will be here to help Gran Paradiso residents with all aspects of successful yards and gardens — all at no charge.

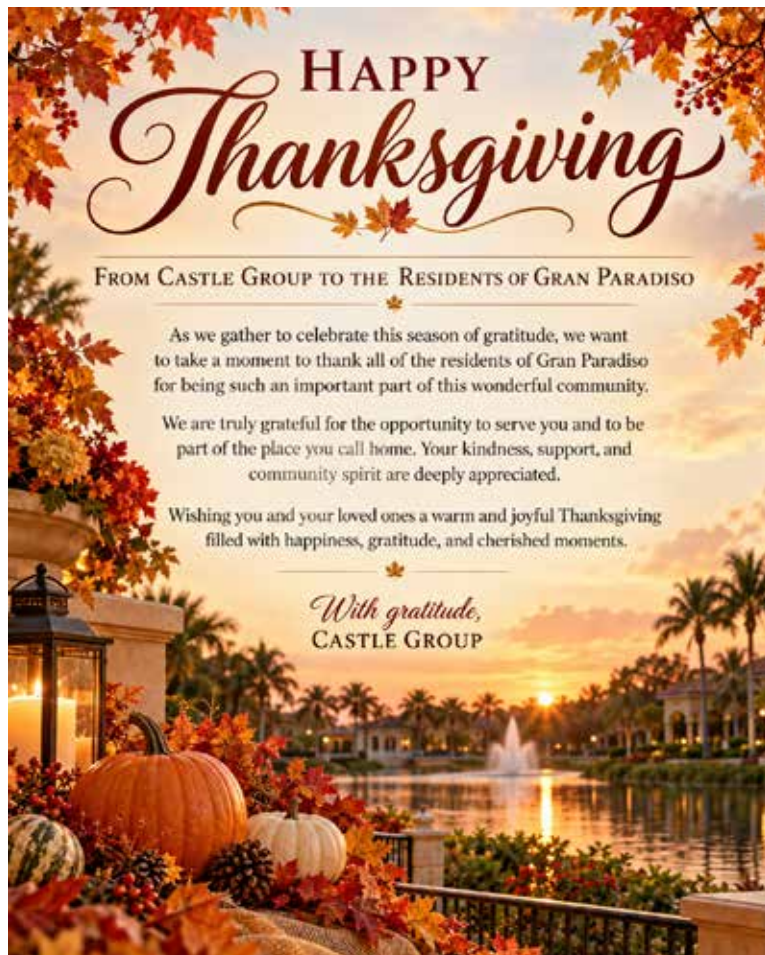

Looking Ahead to 2027

Following the seminar, Garden Club members will be on hand to share our vision, goals, and ideas for beautifying Gran Paradiso through gardening in our common ground areas. We would love to hear your ideas, too. We plan to plant and maintain urns at each monument around Prestige and Renaissance Boulevard, as well as three large urns along Route 41 in front of Gran Paradiso. We would love resident volunteers to help care for the urns, so please let us know on November 7 if you can help.

Plant Swap

We are also offering a plant swap featuring seedlings suitable for indoor or lanai. Bower-pot gardening. We will have small plants available at no charge for you to take home, and we hope residents will bring some of their seedlings to share, too.

Join us for a helpful, informative, and inspiring afternoon of gardening ideas for Gran Paradiso!
