Also return wall at door

A hand-drawn architectural sketch of a two-story house. The house features a gabled roof with a central ridge. On the second floor, there are two windows, each with a decorative lintel and a small decorative element on the side. The first floor has two large garage doors with a grid pattern. To the right of the garage doors is a brick chimney and a large window with a decorative arch above it. The drawing includes various annotations and dimensions: '12' and '6' for roof dimensions, '12' and '6' for window dimensions, '12' and '6' for chimney dimensions, '12' and '6' for garage door dimensions, and '12' and '6' for the overall house dimensions. The text 'DESCRIPTIVE ARCHITECTURE' is written on the second floor, and 'OFFICE AND HOME' is written on the first floor. The drawing is done in black ink on a white background.

Hand-drawn architectural sketch of a two-story house. The house features a gabled roof with a 12/6 pitch. The second floor has two windows, each with a decorative lintel and a decorative sill. The first floor has two garage doors and a front entrance with a transom window. The sketch includes various annotations and dimensions. A red arrow points to the base of the return wall with the text "Also skirt on return wall".

Also skirt on return wall

The Grande Option 2

A hand-drawn architectural sketch of a two-story house. The house features a gabled roof with horizontal siding. The main body of the house has horizontal siding, while the lower portion is made of brick. There are two large windows on the second floor, each with shutters. A central door is located between the windows. Below the main siding, there's a section labeled "6\"/>
