Best of Venice 2025

**Thank
You for
Best of
Venice**

Blair Post, HAS, BC-HIS, ACA

Board Certified Hearing Instrument Sciences
American Conference of Audioprosthology

I want to say thank you to everyone who voted for us in the Best of Venice awards from Venice Gondolier. This year we were honored with two Best of Venice awards for Hearing Aids.

I appreciate all the support and everyone who took their time to vote for us. Your support and continued encouragement resulted in us being awarded Best of Venice, multiple titles, multiple years, Reader's Choice multiple years, and Small Business of the Year.

I am proud to have consistently offered service that is recognized by you and honored to receive so many awards over the years that our wall of awards has expanded onto another wall. This year Karen will be re-designing the wall again, this is a wonderful problem to have, thank you.

Every day I hear stories about how hearing problems have interfered with enjoying life. I've always had one mission, to help everyone who comes to me to hear their best and engage in life.

Nineteen years ago, I opened my own office and chose to treat all my clients as if they are family. Twenty-five years ago, when I chose this profession, I was inspired by my mother MaryEllen. She was already wearing hearing aids due to ear surgery. As my ability grew, I noticed that the aids my mother wore were not the best for her needs. She was very social and would benefit from better technology. I was able to help her hear her best for her level of activities so she could have her best life.

If she was still with us today, I know she would be celebrating with us and all the people who have been able to engage in their own life with more ease and better understanding.

Thank you for entrusting me with your hearing, I am glad I earned your respect.

The History Club Presents:

The Joke is on Hitler: Humor Under Nazi Rule

Ronan E. Hoppe, Ph.D.
Portland State University

Charlie Chaplin in his film, *The Great Dictator* (1940), The Three Stooges in their short films, *You Hasty Koi!* (1940) and *I'll Never Heil Again* (1941), along with Jack Benny with Carol Lombard's film, *To Be or Not to Be* (1942) all made fun of the Nazis during World War II. But what is less known is that thousands of political jokes circulated within the Third Reich itself. It can seem jarring to think about humor in the context of the Third Reich. We think of humor and totalitarianism as antithetical, but Adolf Hitler, Joseph Goebbels, and Hermann Göring understood the role that humor played in the maintenance of the regime. This presentation will analyze jokes told by officials, soldiers, victims and everyday citizens during the Nazi regime, using three different categories: exclusionary humor, inclusionary humor and humor of resistance and survival.

No knowledge of the German language is necessary.
